

Thank you for your interest in Provider Secured Services.

Doing business electronically saves your business time and money. We encourage you to sign up for Provider Secured Services, a free service for enrolled BCBSM and BCN providers that allows you to view patient eligibility, track claims and much more online. Begin the process by completing the following application.

Provide the first name, last name and phone number of all users that need access to Provider Secured Services. For security and privacy reasons, login IDs cannot be shared among users. If the office is new to Provider Secured Services, also include a *Use and Protection Agreement*. If the office already has access to Provider Secured Services, it is not necessary to submit the agreement again. To ensure forms are processed timely and accurately, complete the form online, print and fax to BCBSM, otherwise processing may be delayed. Also include a valid contact email address.

Below is an explanation of the terms you will see on this application:

**Provider Secured Services ID (web-DENIS user ID):** Assigned login ID from the BCBSM Provider Secured Services Application Team.

**NPI (National Provider Identifier):** A unique 10-digit number assigned by the federal government.

**Cloning:** Cloning an ID only copies the provider codes/NPI's from one ID to another, this does not include features or additional services.

**iEXCHANGE ID:** A unique 6 digit code identifying the office for BCN e-referral access.

**Provider Code:** A unique 7 to 10 digit number assigned by BCBSM or BCN for enrolled providers.

Outlined below are the features available on Provider Secured Services, their purpose and the information required to gain access.

**Claims tracking** is available to enrolled BCBSM and BCN providers to track claims online.

For access, list the enrolled NPI number(s) on the application.

**Applicable sections are: Sections 2 or 4 & Section 6**

**EFT (Electronic Funds Transfer)** is available to all enrolled BCBSM and BCN professional providers. This feature enables users to have funds deposited into their financial institution and receive vouchers online.

For access, enrolled NPI number(s) must be listed on the application. Once the office has access to Provider Secured Services, this feature requires an online registration for the NPI number(s) listed on the application.

**Applicable sections are: Sections 2 or 4 & Section 6**

**Complete both sections on Pages 1 & 2 or the access will not be granted.**

**BCN PCP Claims Summary** is available to all PCP providers. This feature allows access to view BCN Claim Summaries by provider.

For access, list a valid NPI number of the BCN Primary Care Physician.

Select the Claims Tracking/EFT feature along with the BCN PCP Claim Summary feature.

**Applicable sections are: Section 4 & Section 6**

**Complete both sections on Pages 1 & 2 or the access will not be granted.**

**e-referral Access** is available to enrolled Blue Care Network (BCN) providers. This feature allows provider offices to submit and view referrals for primary care physicians and primary care groups. This feature also allows specialists to verify referrals for patients.

For access, list the NPI number(s) enrolled with BCN.

For new offices, include the NPI number(s) enrolled with BCN.

For existing e-referral offices, list the current iEXCHANGE assigned to your office.

**Applicable sections are: Sections 3 or 4 & Section 6.**

**Complete both sections on pages 1 & 2 or the access will not be granted**

**Health e-Blue** is available to BCN Primary Care Physicians and Physician Organizations, BCBSM Medicare Advantage PPO and Commercial PPO Physicians and Physician Organizations. This feature allows users to view patient information regarding gaps in care and update patient health information online. BCN Primary Care Physicians also use this feature to enter BCN Health e-Blue Living Qualification Form details.

For access, list one or more of the following:

- State license number(s) for physician access
- BCN IH code for Physician Organization access
- BCBSM MA PPO and Commercial Organization name/identifier

**Applicable sections are: Section 5 & Section 6.**

**Make sure you complete both sections on pages 1 & 2 or the access will not be granted.**

**Medical Drug PA** - is available to medical physicians. This tool allows the physician to complete medical drug prior authorization requests online through Provider Secured Services.

For access, we require a BCBSM Type I NPI number for the doctors that will be submitting authorizations. DME, Billing Service, Immunization Pharmacy, Home Infusion Therapy, and Ambulatory Infusion Centers do not qualify for this tool.

**Applicable section is Section 4**

**Make sure you complete both sections on pages 1, 2, and Addendum P (Page 3).**

**Complete and submit the required pages of this application. If the information provided on this application is inaccurate or incomplete the access to specific features within Provider Secured Services may not be granted. Sections 1, 6, and 7 are required for processing**
